Master of Science (MSc.)

Master's Course in Empirical Research Methods and Statistics

4 Semesters, Academic Title:
Master of Science (MSc.)

Psychotherapy Training

Propaedeutic Training in Psychotherapy

SFU offers a complete programme of general training for the Psychotherapy Propaedeuticum in accordance with the Austrian Psychotherapy Law (Pth G 1990). Please have a look at our website for a detailed description.

Method-Specific Training in Psychotherapy

SFU offers advanced, Method-specific Psychotherapy training in accordance with the Austrian Psychotherapy Law (Pth G 1990). This is done in cooperation with the following Austrian training centres:

- Psychoanalytic Seminar Innsbruck (PSI)
- Vienna Institute for Gestalt Therapy (IGWien)
- Institute for Person-centred Studies (IPS)
- Austrian Working Group for Systemic Therapy and Systemic Studies (ÖAS)
- Austrian Society for Logotherapy and Existential Analysis (GLE-Ö)
- Austrian Institute for Transactional Analysis in Psychotherapy (ITAP)

The curriculum for Individual Psychology (IP) will be offered by SFU independently, contingent on the approval of the Austrian Bundesministerium.

Life and Social Counsellor

First Austrian Academic study programme to become a life and social counsellor.

Graduation of the Bachelor Study in psychotherapy now entitles students to be eligible to become a life and social counsellor.

Continuing Education

PSY-Senior Education

a specialised programme for persons interested in Continuing Education. Duration: 3 semesters

Psychotherapy with an Emphasis on Children and Youth

- Programme in Infant Psychotherapy and Baby Care Supervision: in cooperation with ÖKIDS and the Preyer'schen Kinderspital; 4 Semesters
- Diploma in Psychoeducation and Counselling of Children, Youth and Parents: 4 Semesters

Biofeedback / Neurofeedback Therapy

Basic and Middle Care Management

Messie Syndrome

Professionalization for teaching

These courses are extra-occupational

Study Abroad Opportunities

SFU welcomes students from around the world to join the programmes in Psychotherapy Science and Psychology on a semester-long and year-long basis.

Conferences, Public Talks

For a full schedule of conferences, colloquia, exhibitions, public talks, workshops, film evenings, and other activities at SFU, please visit www.sfu.ac.at/english.

SFU hosts bimonthly Fine Art exhibitions, featuring paintings, sculpture, and other works at the SFU Gallery.

Psychotherapy Summer Schools

Psychotherapy Summer School, SFU Vienna: July 2011; taught in English

Psychotherapy Summer School, SFU Paris: 5 July – 31 July 2011; taught in French

Summer School for Research Methods in Psychotherapy: 5–10 July 2011; taught in English

Please visit www.sfu.ac.at/english for details about the Summer Schools.

Independent Study and Research Opportunities

SFU offers the opportunity to students and researchers from other institutions to pursue their academic interests on a short-term basis as scholars in residence via independent research and self-designed curricula, under faculty supervision. Please visit us at www.sfu.ac.at/english to learn more about research and independent study opportunities, including: The Eastern European Institute, Research in Cultural Adjustment and the Expatriate Experience, and Research in Trauma.

**Sigmund Freud
Private University
Vienna Paris**

Location

SFU is very close to the U3 Underground Erdberg Station – and only 7 minutes from the Vienna city centre. It is only a 15-minute drive to Vienna International Airport (A4 motorway). Moreover, SFU is located near the Südosttangente (A 23 city motorway). Another advantage is the university's close proximity to the vast recreational area of the Vienna Prater (Praterauen).
