

Announcement of the Faculty for Psychotherapy Science –  
04.07.2018

**== SFU Student Research Award ==**  
**500 EUR**

We want to motivate our student of Psychotherapy Sciences and Psychology to present their research projects at scientific conferences. When you present your work as a poster or active panel talk you can apply for the “SFU Student Research Award”.

- All BA, MA and PHD students of SFU can apply for the research award. Each semester we will award the **five best scientific presentations**.
- Please hand in your conference abstract until 1.3. (winter term) and 1.8. (summer term). Abstracts can be handed in for conferences you attended the past semester. Also hand in a proof of participation.
- The abstracts will be reviewed by a committee, each semester the best five presentations will be awarded. The winners will receive a study fee reduction of 500 EUR for the following semester.

Application can be send to:  
[studentresearchaward@sfu.ac.at](mailto:studentresearchaward@sfu.ac.at)

Deadline for winter term: 1.3.  
Deadline for summer term: 1.8.

Attachments required: Abstract and proof of participation

After the committee has chosen the winners, they will be informed via email.

We are looking forward to your applications,

*Dr. Erzsébet Fanni Tóth & Mag. Eva Wimmer*
