

Instructions for e-learning with Microsoft Teams for teachers

You can either start MS Teams via your browser or download the desktop version.

Please note that MS Teams is optimized for the browser "Google Chrome" and may not work in other browsers. If you use another browser, please download the desktop version!

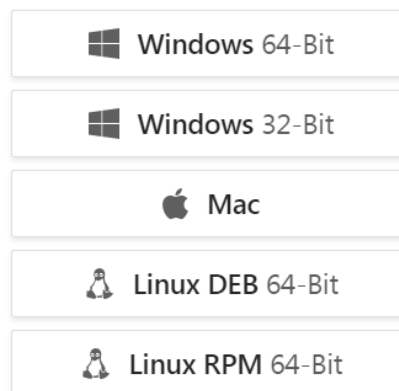

For the download open the page

<https://teams.microsoft.com/downloads>

At the bottom of the page you will find the downloads for all devices

Click on the installation file, teams will now be downloaded. Run the file to start the installation.

Desktop

Mobil

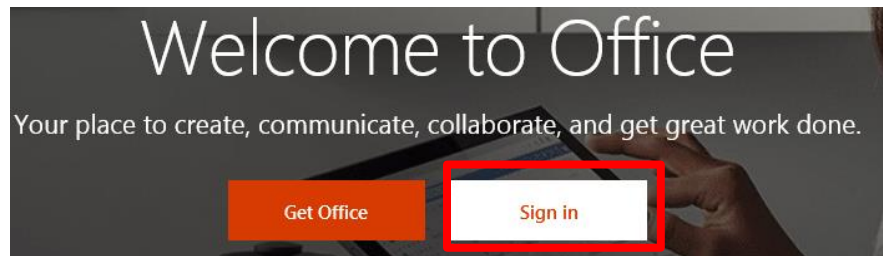

Once MS Teams is installed, you will see this icon on your desktop.

Double click on the icon to start teams (teams will be opened automatically during the first installation). Please continue with the registration (step 2).

Note: For an online presentation you need at least a microphone (laptop internal or headset), if you want to be seen, you also need a webcam.

- 1) Open your browser and go to <https://www.office.com/> and click on **Sign in**. (This point does not apply to desktop versions)

- 2) Enter your **e-mail address** (matrikulationnummer@mail.sfu.ac.at) and click **Next**.

- 6) You can now choose whether you want to remain logged in. If this is the case, click on **Yes**. If you want to log in again each time, click on **No**.

Stay signed in?

Do this to reduce the number of times you are asked to sign in.

Don't show this again

- 7) Click on **Abbrechen** (cancel) in this window (*this is again a german screenshot, translation: do not lose access to your account. But you do not have to enter these informations, just click cancel (abbrechen)*)

Verlieren Sie nicht den Zugriff auf Ihr Konto!

Damit sichergestellt ist, dass Ihr Kennwort wiederhergestellt werden kann, werden einige Informationen abgefragt, damit Ihre Identität nachgeprüft werden kann. Diese Maßnahme dient nicht dem Versand von Spam, sondern ausschließlich der Sicherheit Ihres Kontos. Sie müssen mindestens 2 der nachstehenden Optionen festlegen.

1 Authentifizierungstelefon ist nicht konfiguriert. Jetzt einrichten

1 E-Mail-Adresse zur Authentifizierung ist nicht konfiguriert. Jetzt einrichten

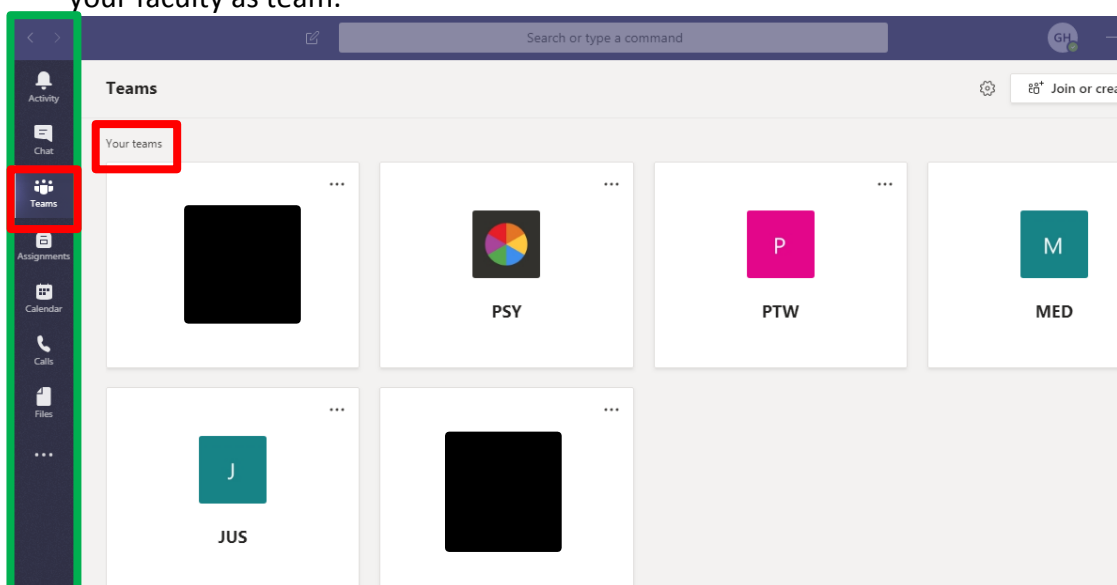

You may now have to repeat steps 4 -6!!!

- 8) You will now see the Office365 interface. Click on Teams to start **MS Teams**

- 9) You are now in the user interface of MS Teams. On the left side you will find some **menu items**, click on **Teams** and then on **Your Teams** to display your teams. Select your faculty as team.

Per faculty there are several channels (Bachelor, Master, PHD, etc..) Please click on the channel according to your course.

10) You can now see all running events in the chat window. Select the desired lecture and click on **Join**. *Attention: If only one lecture is running, it might not be shown in the overview, but is directly in the chat window*

11) Click **Join**, to join the lecture.

12) Once you have started the meeting, you will see another menu bar. (If you don't have a presentation, you can start your lecture now). In the following the individual menu items are described:

a) Duration of the meeting

b) Deactivating/activating the camera

c) Mute/switching on the microphone

e) (Other options)

f) Show chat - (One chat per lecture is created)
Click on the icon to show the chat

g) Show participants

h) End the meeting

13) Click on **End Meeting** when the lecture is finished.
